Next time you're surfing the net, make sure to visit our improved website featuring technical information, a photo parts catalog, and online form ordering of parts, repair service, and more.

## Parts are Parts

**Part No.** 701-000078

**Description:** Kit, Bracket, Anti-fish, DBV

**Usage:** This kit consists of a bracket and two metric screws. The bracket mounts on the LRS model cash box frames.

**Note:** This bracket was designed in 1996 to prevent attempts to remove notes from the LRS model cash boxes. When the bracket was originally ordered, it did not include the metric screws necessary to secure it in place. To simplify the ordering process, JCM now offers this kit with bracket and screws. All newer LRS models incorporate an anti-fish bracket and do not need this kit.

**Customer Notifications/Tech Tips**

**Question:** What kind of information can I find on the JCM website?

**Answer:** On the right is a representation of the drop-down menu under the Customer Service tab on the home page of our website. It is broken down into the following sections:

**Customer Service:** This section explains the JCM Customer Service programs we offer.

**Parts:** This section contains our digital parts catalog, the online parts order request forms, and the RMA (Return Material Authorization) form.

**Tech Support:** This section contains FAQ's on our products, and a feedback form to rate our Customer Service performance.

**Service (Repair):** This section explains JCM's Service/Repair policies, and includes the SRA (Service Return Authorization) form.

**Tech Library:** This section contains our software database, tech bulletins, and some of our technical manuals.

**Contact Customer Service:** The section contains all of our Customer Service contact information.
