Parts are Parts

Part No: 052496

Description: Box Cover Assembly

Usage: This is the outer metal case of the WBA cash box where the alignment tabs are located.

Note: The cash box cover assembly can be purchased separately. Replacing this part takes less than five minutes, and requires only a Phillips screwdriver and a scribe.

Customer Notification/Tech Tips:

Question: Where can I find software information for JCM products?

Answer: JCM has just completed a redesign of the software information section on our website, incorporating the following features:

- Drop-down categories to make the software search easier.
- The latest software released by JCM Engineering is displayed at the top of the list matching your search criteria.
- Left-clicking on the word “Software” next to each version displays a more detailed description.
- Dip switch settings are also listed for the software.
- General notes can be viewed containing additional information about each software version.
