Parts are Parts

Part No: 038989

Description: BASE, P-7-B

Usage: This is the shelf on the DBV-145/147-SS units that the transport rests on. The shelf also holds the two thumbscrews that secure the transport onto the DBV-SS frame.

Note: This shelf has two, threaded screw holes on two metal tabs. The threads on these tabs can be stripped if they are improperly tightened. The tabs can also be broken off if the transport is removed without first removing the thumbscrews.

The list of JCM bill validator software provided herein notifies customers of the latest versions developed. However, the listing does not identify versions approved by gaming jurisdictional authorities for actual use. Customers should consult JCM's Customer Service/Parts Sales departments concerning approved versions for jurisdictions of intended use.

* i suffix indicates Intelligent Cash Box Option

Save Time and Labor with JCM's Intelligent Cash Box System

The ICB (Intelligent Cash Box) system is a unique cash box/cash flow management system that allows the operator to track a cash box and its contents through the entire cash flow process. The ICB system eliminates the need for dedicating cash boxes to specific machines, or putting barcode identification on the cash boxes. The cash boxes are tracked electronically eliminating most variance issues.

**Customer Notification/Tech Tips:
 NexGen Currency Release Update Information**

JCM is invited to attend the Department of Treasury’s press release meeting on May 13th to introduce the Series 2004 U.S. \$20.00 note. As a major stakeholder in the new currency release process, JCM will be present when the Bureau of Engraving and Printing shows the public the first photos of the \$20 NexGen bill. We want to inform our customers about the hardware and software requirements for these new notes:

- WBA-12/13 = 4-way acceptance, software upgrade only.
- DBV-200 = 4-way acceptance, software upgrade only.
- WBA-10/11 = 1-way acceptance, software upgrade only. Can be upgraded to a WBA-12/13 for 4-way acceptance.
- DBV-145/146/147 = 1-way acceptance, software upgrade only. Can be upgraded to a DBV-200 for 4-way acceptance.

Visit our Web site on May 14th for photos and information on the NexGen notes
