The list of JCM bill validator software provided herein notifies customers of the latest versions developed. However, the listing does not identify versions approved by gaming jurisdictional authorities for actual use. Customers should consult JCM's Customer Service/Parts Sales departments concerning approved versions for jurisdictions of intended use.

The JCM Ticket In - Ticket Out Solution ... Reliability, Durability, Productivity

The TSP-02 (Thermal Security Printer) by JCM was specifically designed to meet the needs of your Ticket In - Ticket Out casino operation. Our printer is designed to outlast the competition. With printers in the field that have been running for over three years with no field issues, JCM takes pride in the technology used in our printer solution. By designing the bill validator and the companion printer to go with it, JCM can guarantee the maximum in acceptance rates and printed ticket quality. Contact your local JCM Sale Representative today for additional information.

Technical Tips

Question: How can I ensure that I will continue to receive the JCM Technical Bulletin on a monthly basis?

Answer: JCM has been publishing our monthly JCM Technical Bulletin for over five years. The list of gaming industry professionals receiving the technical bulletins has continued to grow every year, and we now reach a large number of people on a monthly basis. In order to continue to release this publication on time and to ensure an accurate and timely delivery, JCM is going to be moving to an all digital delivery system.

IMPORTANT NOTICE!

If you would like to continue to receive the monthly JCM Technical Bulletin, please e-mail techsupport@jcm-american.com and provide the following information:

- Your Name
- Title
- Casino/Company
- E-mail Address
