## Parts are Parts

Figure 1: JCM® Standard Bezel for UBA®

**Part No.** 902-031025R

**Description:** Bezel, UBA® 85mm with Green LED

**Usage:** The JCM® Standard Bezel for UBA® (Figure 1) features an 85mm wide Banknote Insertion Slot for easier insertion and acceptance of Banknotes of varying sizes. The Bezel design supports the UBA's capability of accepting banknotes from different countries.

**Note:** The Bezel's Green LED gives the customer a visual indication of the UBA's operational status. The JCM Standard Bezel is just one of several different Bezel styles available for the UBA.

The Latest JCM Software Listing (shown above) identifies specific software versions that have been released to OEMs. It is the responsibility of the OEM to obtain all required approvals from Gaming Regulators and Jurisdictional Authorities necessary for use of approved software versions. Contact the Game Manufacturer (OEM) for information on specific software releases approved for use within your gaming jurisdiction.

JCM recommends using the latest version for maximum acceptance, security, and performance.

## JCM Service Offerings

**JCM® offers the following services to help keep your JCM Products performing within factory specifications:**

- |   |                                       |
|---|---------------------------------------|
| <b>Preventive Maintenance Programs</b>              | <b>Unit Exchange Programs</b>         |
| <b>Custom Training Classes</b>                      | <b>ICB® Data Analysis</b>             |
| <b>Warranty and Non-Warranty Service and Repair</b> | <b>Validator Performance Analysis</b> |

For additional information, contact your local JCM Sales Representative at (800) 683-7248.

## Save Time and Labor with JCM's Latest Intelligent Cash Box System

The ICB® (Intelligent Cash Box) system is a unique cash management system that allows the operator to track a Cash Box and its contents through the entire cash process. The ICB system eliminates the need for dedicating Cash Boxes to specific machines, or putting bar code identification labels on the Cash Boxes. The Cash Boxes are tracked electronically, eliminating most variance issues, and with the custom reports provided to each department, accuracy and efficiency are greatly improved.

# FREE REGIONAL TRAINING

Give your technicians the tools they need to keep your customers happy and your equipment running at peak efficiency.
