JCM Global Brings Industry-leading Technologies to Indian Gaming Tradeshow & Convention

LAS VEGAS (March 16, 2026) – JCM Global® (JCM) has been a partner with Native American and First Nation casino operators since the beginning, providing leading and trusted technologies that boost security, increase efficiencies, and enhance the guest experience.

Now in booth #1433 at the Indian Gaming Tradeshow & Convention, JCM is showing its latest technologies for the casino floor and the count room, including bill validators, printers, systems, and Digital Signage Solutions.

Attendees will experience JCM's award-winning bill validators, iVIZION® and UBA® Pro. iVIZION and UBA Pro feature best-in-class technologies proven to provide the highest levels of security and acceptance in automated transaction applications.

JCM is one of the industry's most prolific system developers and will showcase multiple pioneering solutions. FUZION® offers a full suite of features, including BLE mobile wallet connectivity, real-time peripheral performance data, proactive drop/fill alerts, real-time asset monitoring, and more. JCM will also show the ICB® Intelligent Cash Box system, proven to eliminate multiple points of human error; the patented PromoNet™ couponing system; CountR's TITA™ table game solution that brings funds access directly to the table; and the BlueWaveDX™ hand-held firmware upload and troubleshooting tool.

JCM is presenting its GEN5® and CouponXpress™ printers, the standard for thermal printers in the gaming industry. JCM's reliable, smart printers give casino operators the flexibility and power they need to communicate accurately and directly with players through TITO tickets and promotional coupons.

Versatile, bright, and flowing with color, JCM's Digital Signage Solutions are the perfect way to communicate with guests indoors and outdoors. JCM is showing its DSS CLEAR transparent pony wall solution, double-sided and single-sided ePOSTERS, and LED video wall, just three of the cutting-edge digital display solutions in JCM's broad portfolio.

JCM is also exhibiting G+D's C5 count-sort machine, which integrates with JCM's system technology to bring higher levels of efficiency and security to the count room.

Experience JCM's spirit of innovation at the Indian Gaming Tradeshow & Convention in booth #1433, and join JCM on [LinkedIn](#), [Facebook](#), and [YouTube](#).
