### **JCM Global Upgrades 1,900 Games at Gun Lake Casino Resort to iVIZION**

LAS VEGAS (February 23, 2026) – JCM Global® (JCM) has upgraded 1,900 EGMs at Gun Lake Casino Resort to the award-winning iVIZION® bill validator. With this upgrade, the entire casino floor at Gun Lake is now protected by JCM's iVIZION.

“From the hottest games to bold flavors to year-round must-see entertainment, Gun Lake Casino Resort is where West Michigan comes to experience the best, and we are excited to strengthen our partnership with JCM and bring the industry-leading iVIZION to our entire casino floor,” said Louis VanBelkum, Director of Slots at Gun Lake Casino Resort.

Gun Lake's casino floor also features JCM's highly reliable GEN5® thermal printer and the innovative ICB® Intelligent Cash Box system, ensuring efficiency and security across every transaction.

Dave Kubajak, JCM SVP – Sales, Marketing & Operations, said, “We are grateful to Gun Lake Resort Casino for expanding our partnership with this full upgrade to JCM's iVIZION bill validator. This update is the latest step in our technology roadmap with Gun Lake, which will help the casino operate at maximum security, efficiency, and with the highest levels of customer service.”

JCM's iVIZION is the leading bill validator in its class, unmatched in both security and performance. Its advanced Contact Image Sensor (CIS) technology enhances security by scanning 75 times more data points than any bill validator, capturing the full image of both sides of a banknote or ticket, all while maintaining the fastest and highest acceptance rate.
