Notice Regarding Court Action

On June 17, 2005, a court action for alleged infringement of patent right was brought against JCM and its overseas subsidiary JCM AMERICAN CORP. (Nevada, USA) by MARS, INCORPORATED (Virginia, USA), a competitor in the supply of bill validators to the US gaming market. (The write was received by the overseas subsidiary on June 24; no write has yet been received by JCM as of this writing, June 30, 2005)

JCM is satisfied that no infringement of rights has taken place in respect of the disputed patent of MARS, INCORPORATED and intends to stand by this assertion.
