JCM Global Joins 3M Touch Systems Gaming Distributor Network

METHUEN, Mass.--([BUSINESS WIRE](#))--[3M Touch Systems](#), Inc., a wholly-own subsidiary of the 3M Company and a leading innovator and manufacturer of touch technology, announces today **JCM Global** as an authorized 3M gaming products distributor for North America. As one of the gaming industry's most established distributors for slot machine components, JCM will now offer 3M MicroTouch ClearTek II touch sensor and 3M MicroTouch EX II touch controller products to their casino gaming customers.

"We are very excited to offer 3M MicroTouch products as our first-ever touch component," said JCM Global VP of Sales Mark Henderson. "Because the MicroTouch product line is the long-established standard for the gaming industry, we can now offer our customers one of the best known and most reliable touch products in the world."

"JCM Global has decades of experience working with casino operators to keep their games running night and day," said Scott Hagermoser, business unit manager, 3M Touch Systems. "We are very pleased that JCM can now provide 3M touch system components to casinos to help keep their touch-enabled games on-line and in-play."

In addition to supporting the 3M MicroTouch ClearTek II touch system installed base, JCM will offer casino operators interactive digital signage LCD displays featuring the 3M MicroTouch DST touch system, which is available in display sizes ranging from 32" to 46".

3M Touch Systems provides fast, reliable and accurate touch products to customers worldwide under the "MicroTouch" brand. Popular interactive applications include gaming, entertainment, financial, retail point of sale, foodservice, medical, industrial, self-service, and interactive digital signage.
