**Notice on Acquisition of Sammy Systems Corporation**

As publicly announced on December 8, 2008, Japan Cash Machine Co., Ltd. (hereinafter referred to as the “Company”) decided to acquire 100% of stocks in Sammy Systems Corporation (hereinafter referred to as “SS”). Since then, the Company has held talks with SS toward the stock acquisition. The Company hereby notifies that at a meeting of the board of directors on April 28, 2009, it was resolved to execute the stock transfer agreement.

1. Reasons of Stock Acquisition

Business environment surrounding the amusement industry, one of the Company’s operations, has reached a threshold due to the revision of “enforcement regulations to control businesses which may affect public morals” in July 2004. Accordingly, in the market of *pachisuro* equipment, where game element has changed a lot, the number of models which are able to gain a good reputation from game halls and users has substantially decreased. Meanwhile, in the market of pachinko equipment, there has been a steady growth as development and supply of products with various kinds of game elements are possible.

Under such market environment, the Company has decided to acquire 100% interest in SS because SS excels at peripheral equipments for pachinko corners, considering the necessity to enhance the product composition in order to secure a steady profit in the amusement industry.
