JCM GLOBAL'S TOP PRODUCTS GO DOWN UNDER FOR AUSTRALASIAN GAMING EXPO

Award-winning Line Featured In Stand #233

LAS VEGAS (August 14, 2009) – JCM Global's products are king of Australasia. In fact, the new City of Dreams recently became the latest casino in the region to open exclusively with JCM Global's products. Now JCM Global will be showing its award-winning line at the upcoming Australasian Gaming Expo. AGE takes place 16-18 August at the Sydney Convention and Exhibition Centre in Darling Harbor NSW, and JCM Global will be in booth #233.

JCM Global will be showing its award-winning Universal Bill Acceptor (UBA®) and Intelligent Cash Box (ICB®). The UBA/ICB combination opened the City of Dreams and is also bringing accuracy and intelligent reporting to Wynn Macau. The UBA/ICB combination is running on more than 56,000 devices, helping casinos across Australasia and around the globe to maximize revenue and streamline the drop process with high acceptance rates, strict counterfeit detection and variance elimination.

JCM Global VP of Sales Mark Henderson said, "Customers around the world are reporting incredible savings that go directly to the bottom line because of UBA and ICB. It is rewarding to know that we can offer products that deliver greater productivity, operational efficiencies and easily justify the ROI – a win/win situation. Quite simply, these are fantastic products, and the combination is the best available today."

JCM Global will also be showing its World Bill Acceptor (WBA®), the Optipay® DBV 301 and Taiko bill validators.

About JCM Global

JCM Global is the automated transactions solutions provider trusted by operators and manufacturers alike. Its global offices are united, providing top-level sales, engineering and service for the world's best systems solutions for the gaming, banking, vending and petroleum industries. JCM Global sets standards with products such as the World Bill Acceptor (WBA®), the Universal Bill Acceptor (UBA®), Intelligent Cash Box (ICB®) and the new Vega™ bill validator.
