JCM Global's Award-winning iVIZION® Bill Validator Exceeds Casino Cosmopol's Expectations for Excellence

DÜSSELDORF, Germany (23 July 2013) – The [award-winning iVIZION® bill validator](#) from leading transaction technologies supplier [JCM Global](#) has been appearing on new games at all four [Casino Cosmopol](#) locations in Sweden to what can only be described as rave reviews.

iVIZIONs began appearing on new games in Casino Cosmopol last fall. To date, approximately 250 iVIZION bill validators have come onto the gaming floors, and casino management reports the product has exceeded their highest expectations.

Roger Jonsson, Gaming Specialist at Casino Cosmopol, said, "Selecting the iVIZION was a no brainer for us because of its improved security, fastest note-to-note processing speed and 99 percent acceptance rate."

"After six months of having iVIZION on the casino floor, we are very happy to see that iVIZION is performing above our expectations," added Erik Sober, Gaming Specialist at Casino Cosmopol. "We will ensure we order every slot machine with iVIZION in the future, and we are excited to learn more about the additional functionalities of iVIZION and other new products of JCM Global, such as DNA."

JCM EMEA General Manager [Payam Zadeh](#) said, "We are thrilled that Casino Cosmopol is so enthusiastic about iVIZION. We created iVIZION to be the foundation of intelligent validation, and clearly Casino Cosmopol is benefitting from its many capabilities. Now as we move forward with additional apps for iVIZION, including the new Dynamic Network Applications (DNA), we expect that iVIZION will be even further entrenched as the new global standard."
