JCM Brings Successful Track Record, Award-Winning Products to Canadian Gaming Summit

LAS VEGAS (June 4, 2014) – [JCM Global](http://www.jcmglobal.com), the gaming industry's leading transaction technologies supplier, has enjoyed a long and successful history across Canada, and now the company is bringing its award-winning product portfolio to the [Canadian Gaming Summit](#).

The event takes place June 24 and 25 at the Vancouver Convention Center, and JCM will be in booth #325 with better, smarter, faster solutions for Canadian gaming industries, including lotteries and land-based casinos.

JCM Vice President of Global Sales Mark Henderson said, "JCM has been very fortunate to have enjoyed long-term success across Canada. We have developed award-winning transaction equipment that is second to none, and operators across the country have embraced our solutions. Now we are excited to bring our latest products and solutions to the Canadian Gaming Summit."

In its booth #325, JCM will show:

- [iVIZION®](#), the bill validator that is the foundation of intelligent validation
- The new iPRO™, a bill validator with the most sophisticated sensing and anti-stringing package JCM has ever created
- PayCheck 4® thermal printer, the fastest, smartest, longest-lasting printer in its class
- ICB® 3.0 intelligent cash box with on-demand web reporting
- A wide range of digital display solutions, including display panels, media systems hardware, publication software and content development
