Orenes Grupo Casino Division Names JCM Global its Preferred Bill Validator Supplier

DÜSSELDORF, Germany (15 July 2015) – The winning ways continue for JCM Global, notably in Spain, where another operator has named JCM its preferred bill validator supplier.

Adding to a string of recent exclusive agreements, Orenes Grupo Casino Division in Spain has named JCM its preferred bill validator supplier, and has named JCM's award-winning iVIZION® bill validator its preferred product.

In addition to a wide range of business activities, Orenes Grupo Casinos Division owns and operates eight casinos in Spain and two casinos in Mexico. The Spanish casinos currently use JCM's WBA® and UBA® validators, and now all eight casinos will convert those products to the better, smarter, faster iVIZION.

Mr. Gregorio Hernandez, General Manager of Orenes Grupo Spain Casino Division, said, "We have been very happy with the performance of JCM's WBA and UBA bill validators at our properties, and with JCM's commitment to service. Having reviewed iVIZION's capabilities, we were extremely impressed with the product and knew it was time to evolve our operations."

"Orenes Grupo is one of the most important casino operators in Spain, and their impressive business portfolio speaks to the company's high of expectations from their vendors. We are honored to have been chosen as their preferred supplier, and we are confident in our ability to deliver the high quality of products and service Orenes Grupo needs and expects," said JCM EMEA General Manager Payam Zadeh.
