JCM Global Brings Decades of Oklahoma Gaming Expertise to the OIGA Conference & Trade Show

LAS VEGAS (July 15, 2019) – JCM Global has been committed to the Oklahoma Indian Gaming market since its inception, and now JCM is bringing its decades-long expertise to the OIGA Conference & Trade Show. JCM will be in booth #314/320, showcasing products and technologies that empower casino operators to make deeper customer connections.

Leading JCM's exhibit is its wide range of JCM Digital Signage Solutions™. Several Oklahoma casinos have installed JCM digital displays and are communicating directly with customers throughout the property in a dazzling and customizable fashion.

"It's been exciting to work with operators throughout Oklahoma who have the vision to understand how powerful JCM Digital Signage Solutions can be as communication tools. Our customers continually express their appreciation for the value their operations have received from investment in our digital signage, and that's both gratifying and humbling," said Dave Kubajak, Senior Vice President of Sales, Marketing and Operations for JCM Global.

Incredibly flexible and energy efficient, JCM Digital Signage Solutions suit every taste, need, and budget. The displays offer easy-to-configure and easy-to-assemble panels that effortlessly accommodate any size, space, need, or challenge.

JCM will also show its award-winning iVIZION® bill validator and GEN5™ Thermal Printer. Operators of all sizes throughout Oklahoma trust and rely on these landmark products to protect their operation from counterfeiters and other types of currency cheats and to communicate directly to customers.

JCM's patented technology FUZION® works when paired with iVIZION and GEN5 and has the potential for security monitoring, health performance reporting, transaction recording database, remote firmware updates, and iPromo™ system-driven printing.

Additionally, JCM will demonstrate the efficiencies and capabilities of the ICB® Intelligent Cash Box system, and PromoNet™ promotional couponing system.

For more information about JCM's award-winning products, visit JCM in booth #314/320 at OIGA 2019 or online at www.jcmglobal.com and on [Facebook](#), [LinkedIn](#), and [Twitter](#).
