### **JCM Global Installs Core Product Suite on Historical Horse Racing Devices at The Mint Gaming Hall Bowling Green**

LAS VEGAS (January 31, 2022) – When the Mint Gaming Hall expanded to a new location in Bowling Green, Kentucky, the property chose JCM Global's® (JCM) core product suite for its 500 historical horse racing gaming devices.

JCM's leading core product suite is comprised of its award-winning iVIZION® bill validator, GEN5® Thermal Printer, and ICB® Intelligent Cash Box system. These industry-leading solutions are an essential part of any casino property's technology roadmap to boost efficiencies and enhance the guest experience.

The installation is the latest in an ongoing relationship between The Mint and JCM. Previously, JCM upgraded the games at The Mint Gaming Hall at Kentucky Downs to iVIZION with ICB.

"Our partnership with JCM is one of the most important relationships we have. Their product lines have set the standard for the industry, and their legendary support, service, and commitment to assisting us achieve success is greatly appreciated by all of us here at The Mint Gaming Hall family of properties," said Jim Mahnesmith, General Manager at The Mint Gaming Hall Bowling Green. "As we continue to grow the HHR market supporting the signature live Horse Racing Industry in the Commonwealth of Kentucky, JCM will remain a key partner of ours."

JCM has installed its products on historical horse racing devices at multiple gaming halls. "The beauty of our technology is it doesn't matter the type of device. Whether it is a slot machine, historical horse racing device, electronic table game, ticket redemption kiosk, and more, our bill validators, thermal ticket printers, cash boxes, and related peripheral equipment increase security, accuracy, and accountability," said JCM SVP of Sales, Marketing & Operations Dave Kubajak.
