### **JCM Global Installs iVIZION Bill Validators, ICB Intelligent Cash Box System at Coushatta Casino Resort**

LAS VEGAS (July 10, 2023) – JCM Global® has installed its iVIZION® bill validators and ICB® Intelligent Cash Box system at Coushatta Casino Resort in Kinder, LA.

The iVIZION installation is an upgrade from JCM's UBA® bill validators. Now iVIZION is protecting each of the casino's 2,044 games. The ICB system is also newly installed and provides the casino with increased accuracy and accountability. In its first drop, Coushatta reported ICB saved them three hours on their drop.

"Coushatta Casino Resort is a long-time JCM partner, and in speaking with the property, we heard their need for a technology roadmap that would help them today and for several years to come. iVIZION and ICB are two core JCM products that lay an adaptable foundation for technology improvements, and we are thrilled to help the casino establish a positive path forward," said JCM SVP of Sales, Marketing & Operations Dave Kubajak.

iVIZION is the gaming industry's leading bill validator, and sees better, thinks smarter, and runs faster than any product in its class. ICB eliminates human error, increases accuracy, and helps increase compliance.
