### **JCM Global Voted Supplier with “Most Innovative New Technology” at G2E in EILERS-FANTINI G2E Vendor Survey – 2023**

#### ***ICB ASAP earns most votes for 2<sup>nd</sup> consecutive year; DSS CLEAR finishes 3<sup>rd</sup>***

LAS VEGAS (November 29, 2023) – What was the “Most Innovative New Technology” on display at G2E this year? According to slot directors in the EILERS-FANTINI G2E Vendor Survey – 2023, it was ICB ASAP® by JCM Global® (JCM). It was the second consecutive year ICB ASAP took home top honors in the category. JCM’s DSS CLEAR™ earned 3<sup>rd</sup> place, giving JCM the most votes of any supplier.

“We are thrilled that slot directors voted JCM’s ICB ASAP and DSS CLEAR in the top 3 most innovative technologies at G2E. Slot directors cover every inch of the show in great detail, and for them to recognize our design and developments above other technology on the floor is exciting and humbling,” said JCM SVP – Sales, Marketing & Operations Dave Kubajak. “We are very proud of our international engineering and product management teams who continue to bring outstanding innovation to the gaming industry.”

According to the report’s authors, EILERS-FANTINI conducted a survey across its network of casino operators which included responses from 69 slot directors across the U.S. and Canada markets and a hand full of international jurisdictions.

ICB ASAP is a network of four industrial-grade robots and industry-standard automation equipment that operates in one secure automation unit that meets all robotic safety requirements. Its robotic technology manages the unlocking, opening, bank note/TITO ticket removal, closing, and locking of all cash boxes.

Designed in a variety of configurations, the DSS CLEAR series features high density industrial tempered glass and integrated circuit technology to form transparent digital signage perfect for modern architecture. CLEAR delivers a unique customer experience for casino, retail, and hospitality spaces as dynamic window and glass wall displays, welcoming sliding doors, and wayfinding signage.
