Leading Solutions Create Robust Technology Roadmap in JCM Global's Booth at Indian Gaming Tradeshow & Convention 2024

Award-winning bill validators, printers, systems, and digital signage on display in booth #736

LAS VEGAS (March 28, 2024) – Native and commercial casino gaming operators rely on solutions from JCM Global® (JCM) to boost security, increase efficiencies, and enhance the guest experience. Now in booth #736 at Indian Gaming Tradeshow & Convention, JCM will help operators of all sizes chart a course for success with a technology roadmap of leading solutions that bring their casino operations to the next level.

JCM's award-winning bill validators iVIZION® and UBA Pro® will be shown featuring best-in-class technologies. Both solutions are proven to offer the highest levels of security and acceptance in automated transaction applications.

JCM will also present its GEN5® and CouponXpress® printers, the standard in the gaming industry. JCM's reliable, smart printers give casino operators the flexibility and power they need to communicate accurately and directly with players through TITO tickets and promotional coupons.

JCM's system solutions on display include FUZION®, which offers a full suite of features including BLE mobile wallet connectivity, real-time peripheral performance data, proactive drop/fill alerts, real-time asset monitoring, and more. JCM will also feature the ICB® Intelligent Cash Box system, the patented PromoNet® couponing system, and CountR's TITA™ table game funds access solution.

Flexible, bright, and flowing with color, JCM's Digital Signage Solutions are the perfect way to communicate with guests indoors and outdoors. At IGA, JCM will show its DSS TV PRO™ and DSS CLEAR™. The cutting-edge DSS CLEAR was named one of the "Most Innovative New Technologies" on display at G2E 2023.
