JCM Global Completes Major Bill Validator Upgrade at MotorCity Casino Hotel

JCM upgrades 2,300+ slots at the casino from UBA to iVIZION

LAS VEGAS (June 29, 2026) – Casinos across North America are upgrading their casino floors to the iVIZION® bill validator by JCM Global® (JCM). MotorCity Casino Hotel in Detroit, Mich. is the latest to take a leap forward in protection and player convenience. JCM recently converted more than 2,300 games on the casino floor from UBA® bill validators to iVIZION.

The upgrade to iVIZION boosts security, increases efficiencies, and ensures the casino is prepared for upcoming U.S. currency updates with the latest bill validation technology. The new iVIZION cash boxes are compatible with the existing ICB® Intelligent Cash Box system and highly advanced ICB ASAP® robotic solution in MotorCity's count room.

Stacey Young, SVP Casino Operations at MotorCity, said, "We have partnered with JCM for decades, and the fact that their UBA product has served us so well for so long is a testament to the high quality and durability of their products. Now with iVIZION, we can further boost our security and maximize our efficiencies with it and the ICB ASAP system on our floor."

Dave Kubajak, SVP – Sales, Marketing & Operations at JCM Global, said, "For over two decades, our partnership with MotorCity Casino Hotel has been defined by a shared vision, trust, and a commitment to elevating their guest experience to deliver on their brand of 'Your Escape From The Everyday.' This latest floor wide upgrade to iVIZION further boosts their security and creates a smoother, more seamless experience across their gaming floor, allowing guests to enjoy the very best play environment possible."

iVIZION is the leading bill validator in its class, unmatched in protection and performance. Its advanced Contact Image Sensor (CIS) technology enhances security by scanning 75 times more data points than any bill validator, capturing the full image of both sides of a banknote or ticket, all while maintaining the fastest and highest acceptance rate.

Ensure your casino achieves maximum protection and can accept all currencies. Contact your JCM representative today, and join JCM on [LinkedIn](#), [Facebook](#), and [YouTube](#).

About JCM Global

JCM Global is a world leader in transaction and payment technologies. From its global network of offices, the company provides award-winning solutions such as bill validators, note recyclers, printers, systems solutions, and more.
