

Light Weight LED Wall Panels

- High color fidelity for bright and vibrant content
- Wider viewing angle without color shift
- High stability and reliability

SUPERIOR IMAGE QUALITY

- High color fidelity
- High pixel density
- High contrast ratio of 4,000 : 1

IDEAL VIEWING

- Light weight panels for easily wall-mounted video walls
- Designed for common aspect ratios like 16:9 or 4:3
- Fanless design perfect for sound sensitive applications

PRECISE INSTALLATION

- Unique snap lock panel system for seamless panel-to-panel connection

DSS LED WALL displays elevate UHD image reproduction while showcasing over 281 trillion colors and a tight pixel pitch ranging from 0.9mm to 2.5mm. Aspect ratio friendly and light weight, DSS LED WALL has a wider viewing angle without color shift, making it an excellent choice for sportsbooks, bars, stadiums, and more.

Specifications
