

F53 & F56

Multi-Cassette Currency Dispensers

FLEXIBLE DESIGN

- Configurable from 2 to 6 cassettes
- Delivery options include semi-bunch, tray, or bulk transport
- Field upgradeable for max. capacity
- Able to dispense mixed new and teller fit and mixed paper and polymer banknotes out of the same cassette

RELIABLE SECURITY

- Option to add locks for secure transportation
- Banknote low and denomination sensors confirm the correct cash dispense amount

GREATER SERVICEABILITY

- Front or rear serviceability for increased flexibility
- On-board and remote diagnostics for fast issue resolution

THE F53 AND F56 MULTI-CASSETTE CURRENCY DISPENSERS were designed for the OEM market and have been installed in kiosks, self-checkouts, and ATMs. The F53 and F56 have front and rear serviceability and multiple delivery options for easy installation and customizable cash delivery programs.

The dynamic design integrates flexibility, reliability, speed, and large-capacity note dispensing into a small, compact size that meets operational needs when it matters most.
