JCM PART NO: 23101099

THE EP802-TM IS AN IDEAL PRINTER SOLUTION FOR ALL-ROUND PERFORMANCE.

The Eurocoin EP802-TM Thermal Printer has been developed for a wide range of applications to meet all customers' needs: sports betting, gaming and lottery, kiosks, parking systems and more. The TM model offers proven flexibility with a modular approach, to provide customers the ideal printer to suit multiple cabinet styles. Serviceability with rear access also provides easy maintenance and auto-paper loading for the user.
